DEDICATION

According to tradition, most school yearbooks are dedicated to someone for very special reasons. This year after seeking the direction of the Holy Spirit, it is our privilege to dedicate our yearbook and to express our appreciation to Dr. and Mrs. Robert E. Sanders.

The recipients have been devoted to the high calling of God to shape and mold young lives into profitable, valuable members of the Christian communities in the U.S., Canada and Europe. The focus of their endeavor has been the bringing of students to a saving knowledge of Jesus Christ. For nearly 30 years Dr. Robert Sanders and his wife, Lu, have served God in two countries. Having raised four children of their own, they have also adopted countless hundreds, even thousands, who have been privileged and blessed of God to sit in the fatherly council of one who is wise in the Scriptures and ways of God; to have bandages, cough drops, aspirin, kisses and tears applied with the love of a mother.

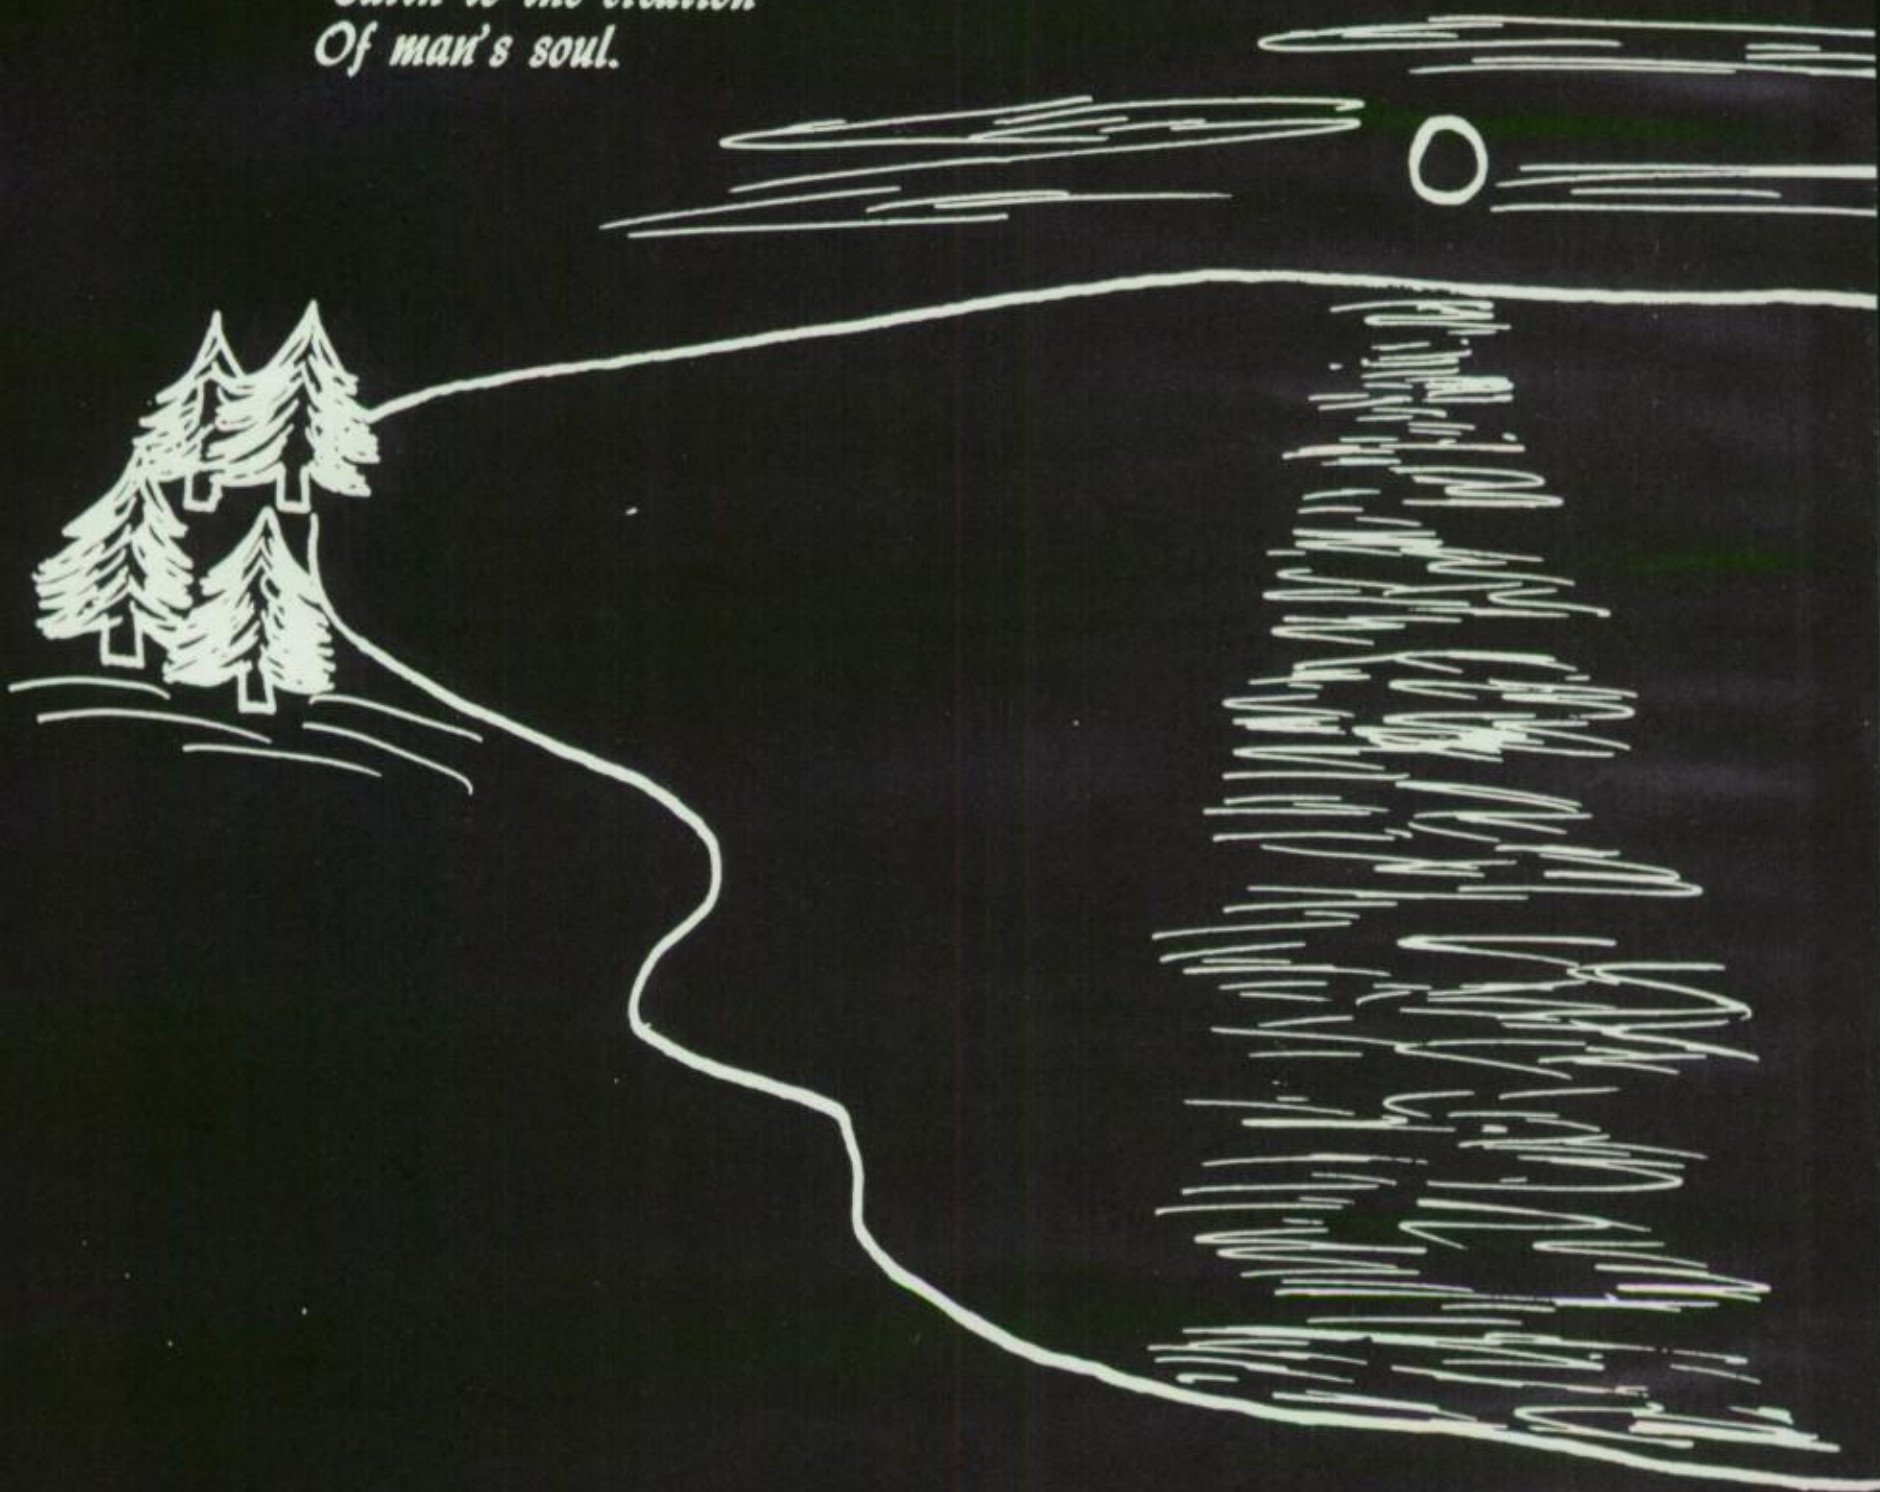

We have seen the hand of God on their lives and ministry since they have come to T.C.S. Do they get tired? Yes, no doubt, because they are human; but you would never know it! Are they ever disappointed? Who knows, they function in God's strength to such a degree that only He knows. Like a father and mother, they have loved us, counseled us and thank God, disciplined us when we needed it.

Paragraphs, papers, even volumes could be written regarding the lives and ministry of these two people to whom we dedicate this yearbook. However, words are inadequate to describe our affection and our eternal gratefulness. Dr. and Mrs. Robert E. Sanders, we dedicate the 1982-83 TEKOA to you because we love you.

In the beginning God created the heaven and the earth. Genesis 1:1

*Time is beginning,
A beginning in which God
Is in control
From the beginning of
Earth to the creation
Of man's soul.*

*To every thing there is a season and a time to every purpose under the heaven. Eccl.
3:1*

*Time brings about the
Beginning of a new day,
A day that should be
Lived for Christ and
Not for things that will
Pass away.*

*Time will one day come to an end.
With a trump and a shout
Our Lord will descend.
But this end will bring a
New beginning,
To those who know Him,
A life never ending.*

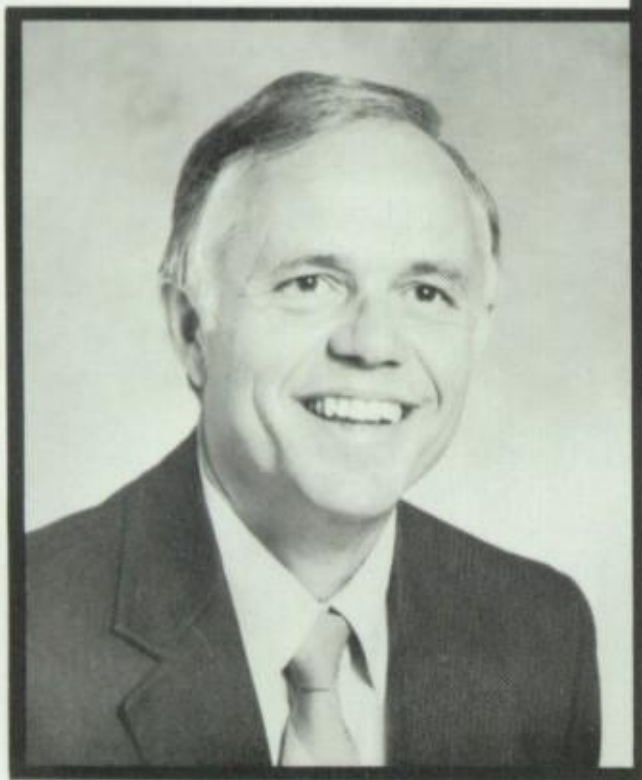

Watch therefore: for ye know not what hour your Lord doth come. Matthew 24:42

Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh. Matthew 24:44

For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God; then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. I Thessalonians 4:16-17

Kindergartners Likes School

When asked what the kindergartners liked best at school, they agreed that lunch, naptime, and recess were their favorites. Pam and Bethany said that P.E. was their favorite subject while Kara and Amy liked Math and Reading the best.

"I want to be a doctor when I grow up!" said Pam. Bethany decided she would let Pam take care of her when she got sick. Kara wanted to be a teacher of both Kindergarten and Third Grade while D.W. had not yet decided.

Suddenly, during our interview, the fire alarm sounded, and the halls were soon filled with anxious kids hurrying out the door. "It busted my eardrums!" exclaimed one student. Another girl "even brought her pencil" because she was so frightened by the sound. After the commotion settled down, the students returned to their rooms to resume their work.

SPORTS

CHEERLEADERS SPARK ENTHUSIASM

The cheerleading squads were very impressive in all their games after attending a cheerleading clinic led by the LBC Cheerleaders in which five schools participated. During the clinic the varsity squads received many awards: Most Spirited, Best Overall Squad, and Dawn Duffie received the Individual Spirit Award. The squads learned many new cheers and chants and had a great time.

Throughout soccer and basketball season they stayed busy practicing, preparing for pep rallies, decorating the halls and lockers before the games, and raising school spirit.

Lasting friendships were built through many shared experiences as they worked and shared together.

VARSITY SOCCER

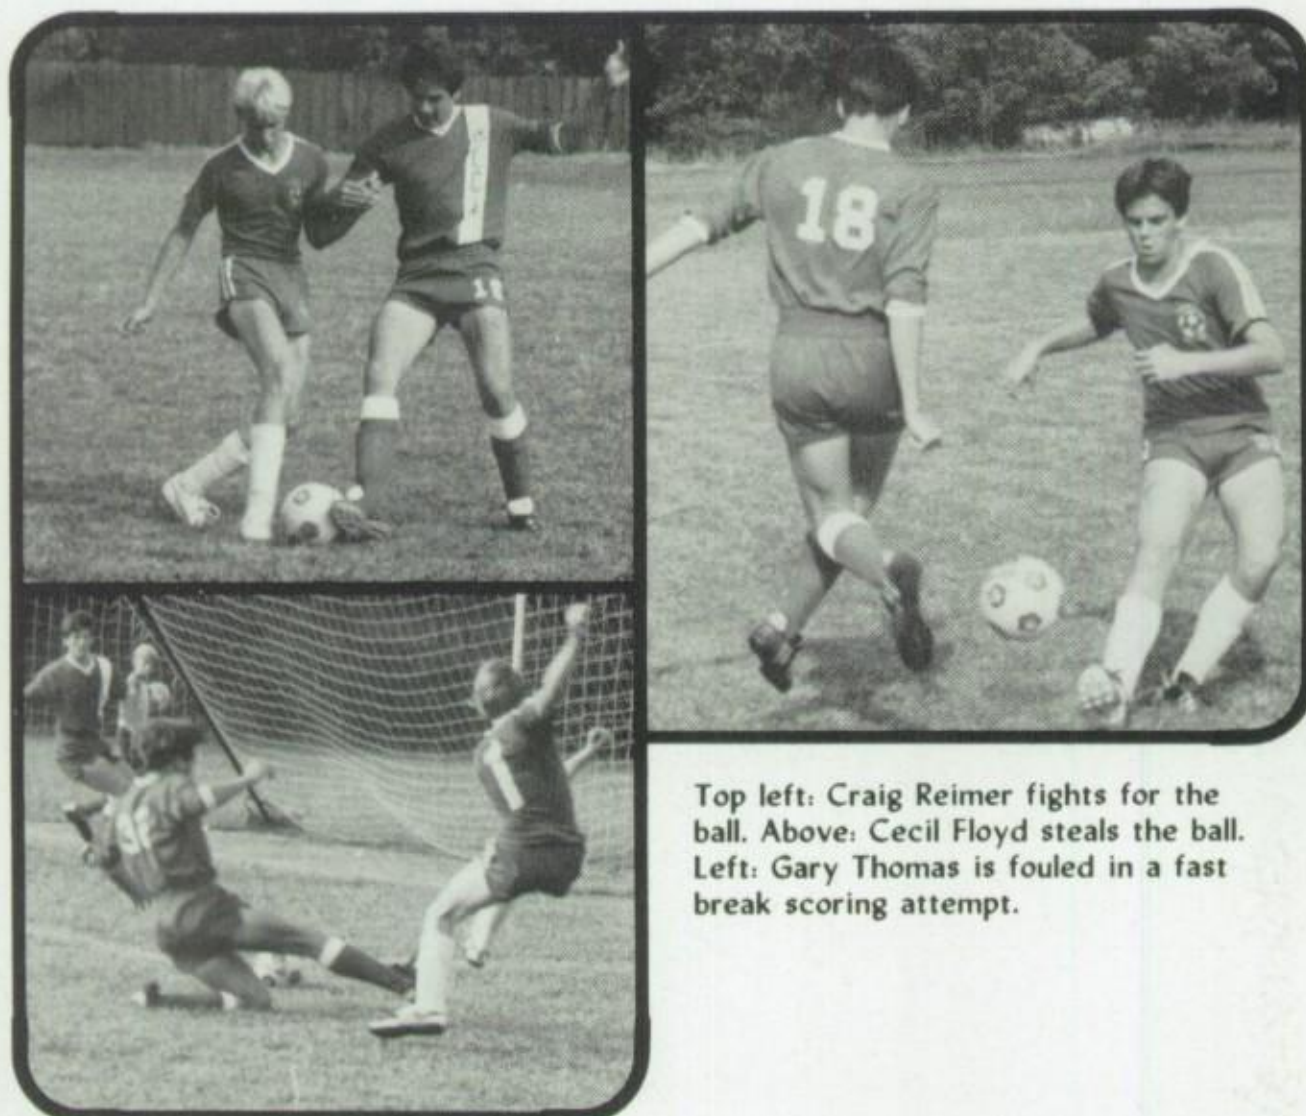

TCHS varsity soccer team members: (first row) Cory Beasley (Sr.), Jim Dinwiddie (Sr.), Coach Allan Edgar, Bennie Fears (Sr.), Gary Thomas (Sr.), (second row) Chris Whitely (Jr.), David Alley (Soph.), Tim Justice (Jr.), Tommy Parker (Soph.), Bryan Stanford (Fresh.), Ian Moore (Soph.), Cecil Floyd (Soph.), Tom McCrickard (Jr.), Fred Sutherland (Jr.), Bill Miller (Jr.), Craig Reimer (Jr.).

SOCCER

Timberlake Christian High School has come a long way while participating for the last three years in the Virginia Independent Conference Soccer League. In the words of Allan Edgar, Athletic Director and head varsity coach, "We're improving soccer wise. For example, in the soccer season of 1981, we were defeated by Eastern Mennonite 12-1, but in 1982, they only won 7-0. I've had coaches tell me that we've outplayed them in every aspect, only the scores haven't reflected this YET!"

The soccer ball did not cooperate this year, even though the team did everything right. The ball bounced off poles, legs, heads, etc. LCA defeated TCHS; this was a game in which the boys played well, only to lose after the score had been tied for most of the game. The TCHS varsity team never quit trying; and next year it plans to be "AWESOME."

Top left: Craig Reimer fights for the ball. Above: Cecil Floyd steals the ball. Left: Gary Thomas is fouled in a fast break scoring attempt.

JR. VARSITY SOCCER

"ERIC"

"Young, but very good," is how Coach Williams describes his junior varsity soccer team. The team was short in stature, but not in fortitude. These players would run themselves to death playing soccer. Everyone was surprised at the amount of skill and will power demonstrated by the junior varsity team members. Charlie Williams, Assistant Athletic Director and coach of junior varsity soccer, enjoyed his second year at TCS and is looking forward to next year.

The junior varsity team members: (first row) Jim Cole, manager; Jeremy Dooley, co-captain; Greg Wilson; Phil Tinsley, co-captain; David Dolan, co-captain; Charles Roberts, manager; (second row) Coach Charlie Williams; John Moore; Richard Lambert; David Vyas; Joel Frye; Eddie Cook; Shay Ferrell; Dwayne Parker; Eric Jennings; Steve Baker; Karl Uotinen.

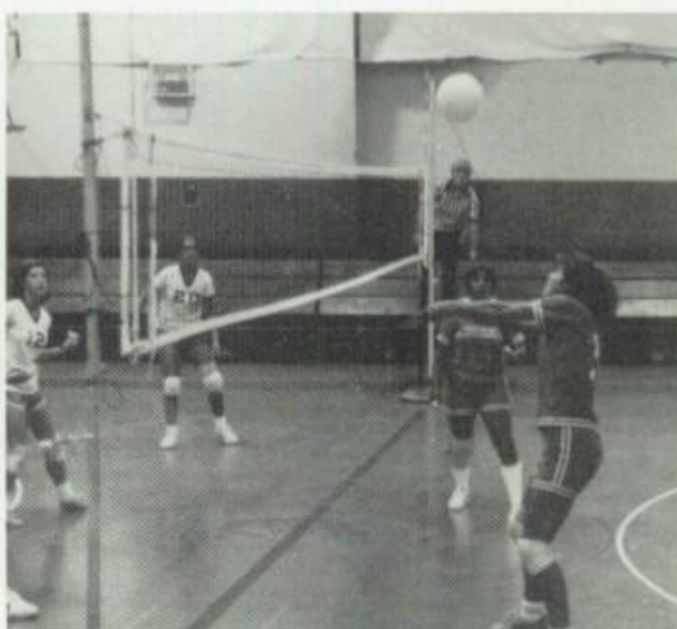

Upper right: Steve skillfully moves the ball. Right: Jeremy executes a great kick.

Good work, girls!

Teamwork pays off.

We are awesome!

The girl's varsity volleyball team improved steadily and finished with a record of 9-12. The one thing that made the team unique was the unity of the team members. They were always supportive of each other.

The junior varsity girl's volleyball team record was a great 7-4. They were small in stature and mighty in their hearts. Most of the team will be returning next year with more height and seeking more victories.

VARSITY

The Timberlake varsity basketball team had, by all estimates, a very good season. The team presented an excellent spirit and testimony. The players demonstrated what Christian athletics is all about.

Basketball

The varsity basketball team of Timberlake Christian High School: (front row) Cory Beasley, Jim Dinwiddie, Coach Allan Edgar, Bennie Fears, Gary Thomas, (back row) Chris Whitely, Fred Sutherland, Cecil Floyd, Tom McMrickard, Brad Yates, Tim Justice, Mike Pulliam, Phillip Lachniet.

Debbie Ayers, J.V. cheerleader

Above left: Bryan's kind of shot! Above: Gary shoots from the charity stripe. Left: Philip brings it over.

The junior varsity basketball team, led by excellent players like Bryan Stanford (shown left dribbling the ball down the court), had a great year. The junior varsity team won most of their games under the coaching of Charlie Williams, and the team improved upon the previous year's record.

JUNIOR VARSITY

The junior varsity basketball team: (front row) Bryan Stanford, co-captain; Coach Charlie Williams; Joel Smith, co-captain; (back row) Greg Wilson, manager; Joel Frye; Gary Schmincke; Scott Williamson; Loyd Davis; Richard Lambert; Philip Tinsley; Garrett McIvor; David Dolan; Shay Ferrell; Terry Roberts; Jeremy Dooley, manager.

Stephanie shows deep concentration.

Way to box out, Donna.

Get that ball and go.

The girl's varsity basketball team had a good year in respect to added growth and maturity in spite of a 5-13 record. They are looking forward to next year and the return of seven players on the squad. They will miss the two seniors, Susan Hassan and Marcia Lachniet, who contributed a great deal to the basketball team.

The junior varsity girl's basketball team fought hard in every game. They finished the season with a record of 5-7. They were young, but eager to learn. Look out everybody; next year they'll all be one year older.

Under the terrific pitching of Cory Beasley and Larry Dobyns, the TCHS baseball team ended the season 8-6. Cory was undefeated and Larry was the leading hitter with 389.

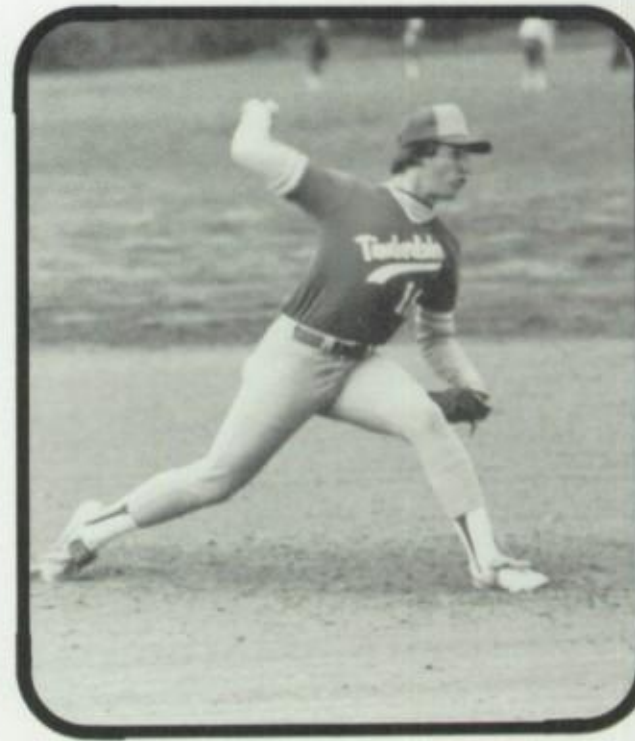

This year TCHS placed third in the Virginia Independent Conference.

God blessed our team this year. We started in the cold of March and worked through the heat of summer. Because of our hard work and dedication, we were 3 and 1 on the season and finished 4th at the VIC Championship meet.

Our season began with a win on Sept. 30, at the Timberlake Invitational. Eastern Mennonite and Fishburne Military were our opponents. Jim Dinwiddie was the overall winner with Bryan Stanford finishing 5th. We won the meet with 32 points, EMHS 44, and FMA 48.

The year went on to be successful in many ways. We found that we could be winners; and, we learned that the word, quit, is not found in the Christian-athlete's vocabulary.

Will it help?

"Dolan is done."

Dawn, why is your mouth open?

VARSITY

Let's get this game started!

The 1983 softball season was one of the coldest, wettest seasons anyone could imagine. The varsity softball team had a superb year in spite of the weather. The highlights of their season were two victories over the perennial power, Holy Cross. The second victory was won after being ten runs behind, and ended 13-10. The varsity softball team record was 5-5.

The junior varsity girls softball team had a good year with an overall record of 2-6. The team was young with five sixth graders, eight eighth graders, one ninth grader, and two tenth graders. The team experienced great improvement in the area of skill and in playing sense.

Good hit, Allison.

Kelly pitches another strike.

JUNIOR VARSITY

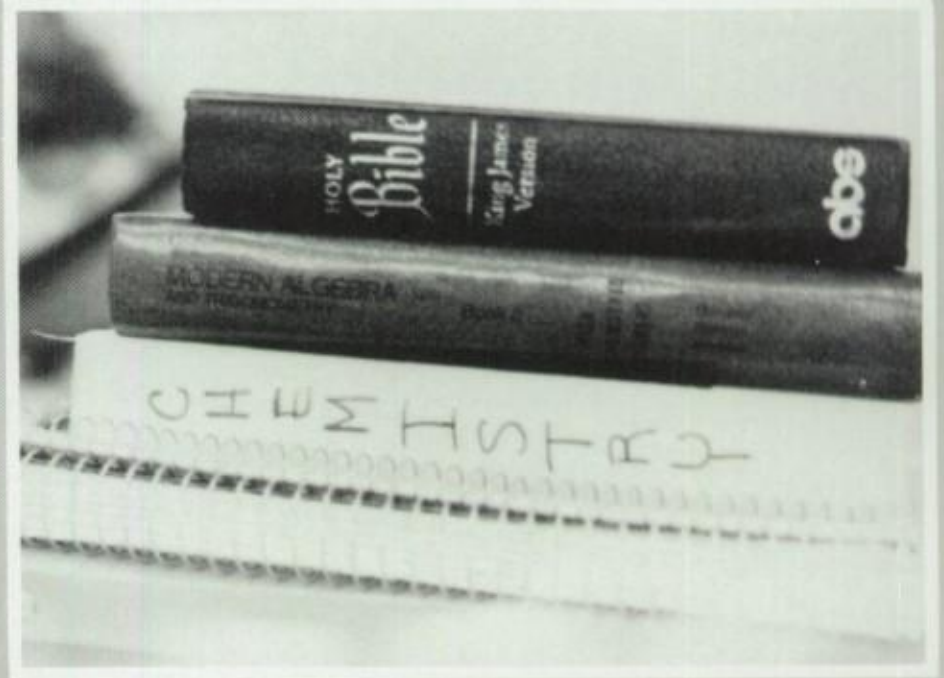

Kneeling: Sharon Locy, Missy Sherman, Rhonda Evans, Michelle Lafon, Leah Duffie, Allison Tinsley, Carolyn Gallaher. Standing: Cherie Kincaid, Becky Curd, Kelly Duncan, Laila Daly, Stephanie Hubbard, Lisa Jamerson, Amy Stephens, Jennifer Hartless, Traci Chandler, Coach Coleman.

JUNIORS . . . ONE STEP CLOSER

The Junior class of 1982-1983 was filled with expectation as the year brought about many activities. The highlight of their year was the Ring Banquet. After many phone calls and comparing prices, the class voted on having the banquet at Holiday Inn. After an enjoyable meal, and a duet by Laura Bowling and Jeff Cole, Mr. Edgar gave an inspiring speech. By this time the room was filled with "oohs" and "ahhs" as they compared their rings. This event was the beginning of a full year which would bring them one step closer to their long awaited senior year. The year also marked the beginning of hard work with all those fund raisers! "Is one week really worth all this work?" was a question that was asked by many students. The junior year was very active, but each student was motivated by thoughts of the upcoming senior year and the new events that would bring them one step closer to graduation.

SENIOR TRIP

Are we home yet?

The animals welcome the seniors to the Washington Zoo.

The Capital, Washington, D.C.

Look mom, no hands!

Tired feet after a day at the Smithsonian.

A buggy ride in the Amish Country

Orioles showed the seniors a good time after beating the Mariners.

Baltimore Harbor

Steve and classmates file stately down the aisle.

Graduates and families are welcomed by Dr. Sanders.

As we look back we remember ...
Homework, term papers, Hamlet, Bible chapters,
ballgames, the driving range, smelly frogs, lost
lunches, petty cash, and laughing or crying together.

Memories of the past are enjoyed by all as Carolyn shares the class history.

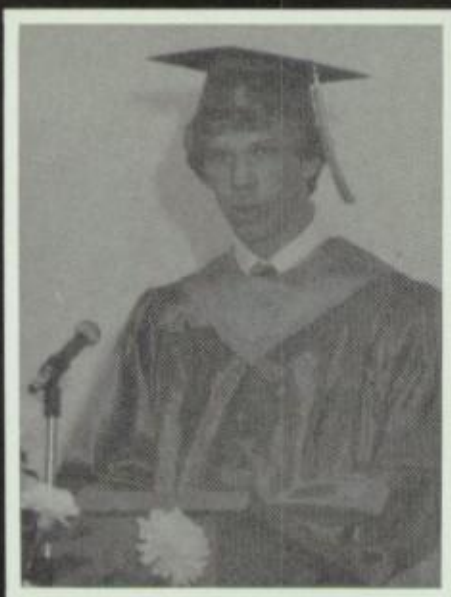

Jackie, class president, gives a gift of appreciation from the class.

Renee Davis, salutatorian, speaks, "My Times are in Thy Hand."

Jim Dinwiddie, valedictorian, tells of the importance of failure.

THE CLASS OF 1983

Reverend McQuaid challenges the graduates to be spiritually prepared for the future.

Pastor Alley presents Bibles to each graduate after Mr. Jett presents the diplomas.

Most of all we remember ...

The support of our teachers, and the love and friendship of the students. Thanks for making this a great four years; and most of all, thanks for all the MEMORIES.

The Class of '83

This year, many TCS math students along with accounting and business students were given a chance to learn more about computers with three that the PTF purchased. The students have enthusiastically learned to program, work and play with the computers. Many students spent time after school working with the computers.

Kristi is all smiles at the Jamboree!

Dawn, what kind of pizza is it?

It's not funny; brain surgery is necessary!

More than just a pretty voice.

Bob Cook is very excited!

Miss Tropicana, 1983.

Send 'em back to cellblock No. 106.

The little old ladies sure are stumped on that one.

O'Finn finally puts his foot down with the old ladies.

"BULL IN A CHINA SHOP" ... A GREAT SUCCESS

The thought of Mr. O'Finn's arrival caused the ladies to forget about Elizabeth's death.

The ladies prepare for another look at Mr. O'Finn through their binoculars.

Amantha and Elizabeth sit to chat awhile.

O'Finn and Kramer discuss one of the mysterious murders.

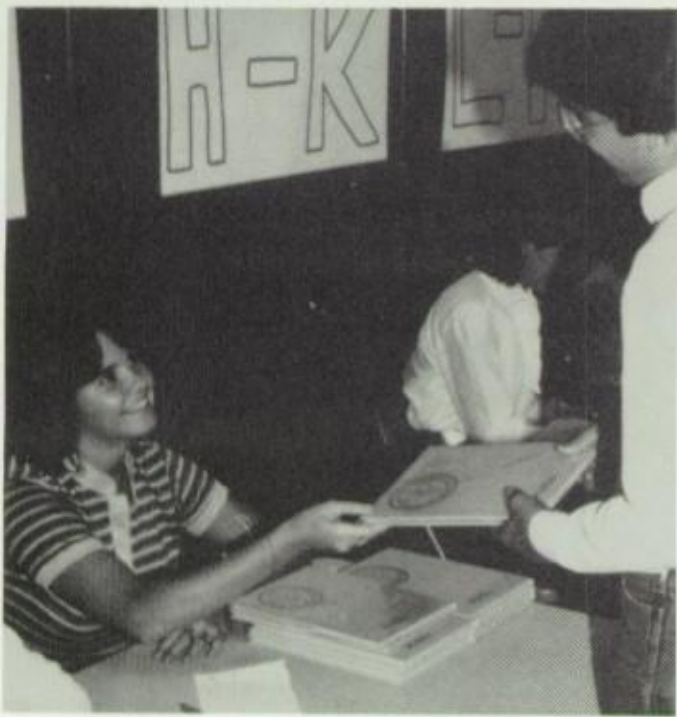

Lucy gets her fingerprints taken while Amantha attentively listens.

"Christmas in Other Lands"

Timberlake students were entertained with the trio of Dawn, Missy, and Rebecca.

The Parent Teacher Fellowship (PTF) donated to Campus I and II a new sound system of an approximate value of two thousand dollars. The PTF donated from love offerings, five microphones, an amplifier, a sound mixer, and the necessary wiring for each. The new sound system will be used and greatly appreciated by both the drama and choir departments, and the PTF. The Timberlake faculty and student body is very thankful for these donations.

SPORTS BANQUET

The 1983 annual sports banquet was held May 28. The banquet got off to a delicious start with a buffet meal. After everyone finished dinner, Mr. Horton from LBC spoke on determination. Finally the highlight of the night came as each athlete received his or her certificate, and several outstanding athletes received trophies. A few of the outstanding athletes were: Jim Dinwiddie, male athlete of the year and student athlete of the year; Kim Evans, female athlete of the year; Marcia Lachniet, Christian athlete of the year.

LOOK TO THIS DAY

Look to this day,
For it is life.
The very life of life.
In its brief course lies all
The realities and verities
 of existence,
The bliss of growth,
The splendor of action,
The glory of power —
For yesterday is but a dream
And tomorrow is only a vision.
But today, well lived,
Makes every yesterday a dream
 of happiness
And every tomorrow a vision
 of hope.
Look well, therefore, to this day.
